

Student And Family Supports

Supporting the Wellness and Safety of our Students and Families

LCAP Goal 3 & STRATEGIC PLAN

2021-2026

STRATEGIC PLAN

L.C.A.P.

Local Control Accountability Plan

Goal 2: Student Well-Being Provide

- F. Student Mental Health: Increase proactive mental health support and ensure resources are available to all students.
- G. Safety: Ensure students can benefit from and contribute to a psychologically safe school community.

Goal 3: Student Safety and Well-being:
Provide all students the tools, resources, and support they need to manage mental health challenges and be safe physically and emotionally.

School Resource Officers

School Resource Officers

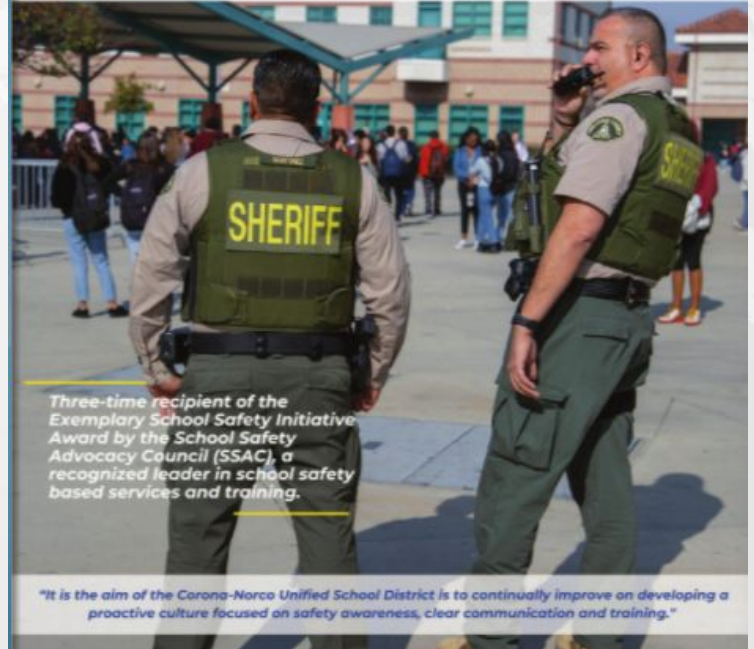

The Corona-Norco Unified School District has entered into an agreement with the Corona Police Department and the Riverside County Sheriff's Department to provide School Resource Officers at all of our comprehensive high school sites. These officers investigate crimes, enhance the safety and security of our campuses, and provide resources for site administrators.

The SRO focuses on preventing juvenile delinquency through close contact and building positive relationships with students while also creating partnerships with school administrators in order to provide a safe school environment.

CORONA-NORCO UNIFIED SCHOOL DISTRICT

PROJECT SAFETY NET

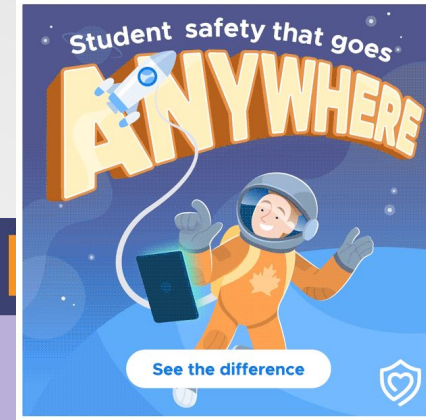

Three-time recipient of the Exemplary School Safety Initiative Award by the School Safety Advocacy Council (SSAC), a recognized leader in school safety based services and training.

"It is the aim of the Corona-Norco Unified School District to continually improve on developing a proactive culture focused on safety awareness, clear communication and training."

Digital Citizenship

IN CNUSD

Innovation, Learning, & Edtech Team
innovate@cnusd.k12.ca.us

Our Team

Brittany Conrad

Diane Mapes

Mike Grothem

Innovation, Learning, & Edtech Team
innovate@cnusd.k12.ca.us

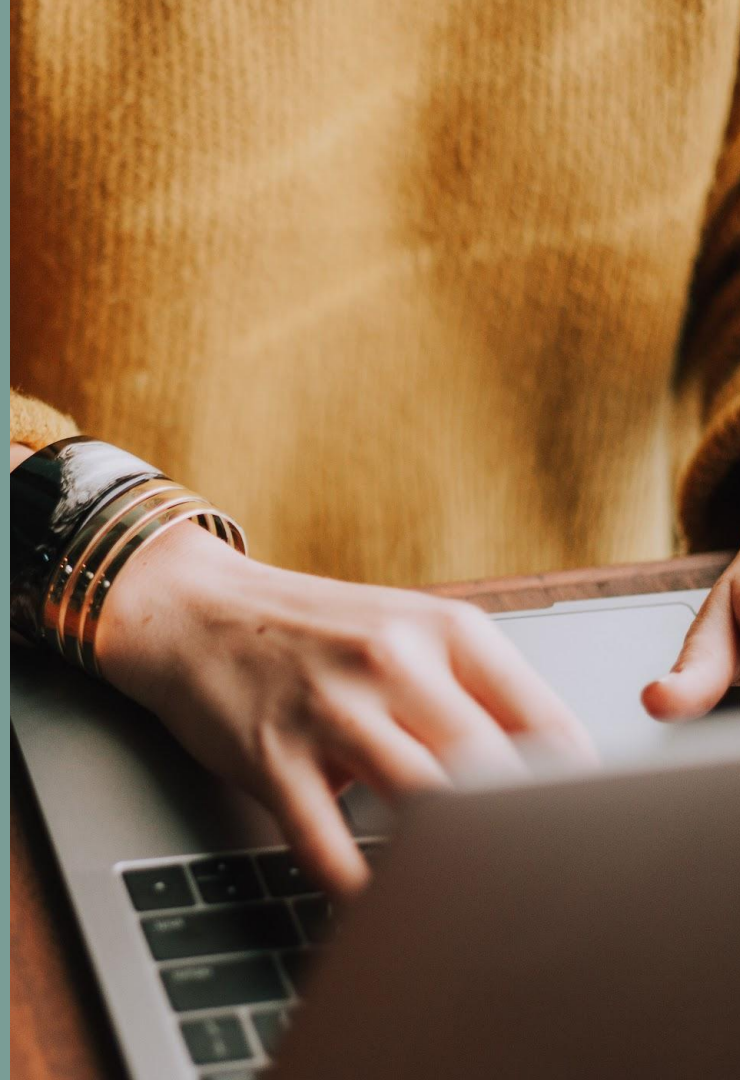

Our Staff

CNUSD Certificated Staff are able to participate in a paid, self-paced, online Professionals Learning Opportunity.

- Digital Citizenship
- Student Data Privacy
- IT Security Training

Innovation, Learning, & Edtech Team
innovate@cnusd.k12.ca.us

Our Staff

Delivering Digital Citizenship & Protecting Student Data Privacy

Outcomes:

- Continue to work with teachers to become proficient with the **Common Sense Media website and Digital Citizenship Content** & where to access it in **Nearpod**
- Continue to work with teachers on **Student Data Privacy** concepts
- Provide instruction and resources for requesting Apps, Add-ons, & Extensions
- The Innovate team is the springboard for teachers and schools to become **Certified Common Sense Educators and Schools**

Innovation, Learning, & Edtech Team
innovate@cnusd.k12.ca.us

Our Students

Common Sense Media's Digital Citizenship & Literacy Curriculum is created for K-12 students and covers 6 key topics based on grade level.

- Media Balance and Well-Being
- Privacy & Security
- Digital Footprint & Identity
- Relationships & Communication
- Cyberbullying, Digital Drama & Hate Speech
- News & Media Literacy

Innovation, Learning, & Edtech Team
